Subject: City of Tulsa Bridge Project: Improving Tulsa's River Crossings

Dear Secretary Buttigieg,

The City of Tulsa is requesting \$9,996,120 in federal funds from the Bridge Investment Program. The proposed breakdown for the *City of Tulsa Bridge Project: Improving Tulsa's River Crossings* is as follows:

- Federal Share (90%) \$ 9,996,120
- Local Share (10%) \$ 1,110,680
- Total Eligible Project Cost \$11,106,800

The funding for the local match will come from the 2019 Improve Our Tulsa Bond Program. The Bond Program was approved by city voters in 2019. These funds are committed and available for this Project.

These vital bridges provide mobility across the Arkansas River (which runs directly through Tulsa). This crucial Project will maintain a state of good repair and safe operation for these bridges.

If you have any questions, please call me at (918) 596-9565.

Sincerely,

CITY OF TULSA

Paul D. Zachary, P.E.
City Engineer
