

I-30 Deck Park Planning Study

Little Rock, Arkansas

Pulaski County

WHAT'S NEXT?

Comments Received Following Community Engagement Meeting #2

Comments received during the comment period **(October 22 - November 6)**, following Community Engagement Meeting #2, will be reviewed by the City of Little Rock.

Schedule

We're planning one more Community Engagement meeting to keep you informed and involved. This meeting is expected to take place in 2027. The exact dates will be announced as soon as it is scheduled.

Community Engagement Meeting #3

Based on community feedback received during and following Community Engagement Meeting #2, a recommended alternative will be selected for further development and will be presented to the community. This is your chance to see the recommended option.

After the Planning Study

After the planning study is complete, the city will use its findings to determine if, when, and how to seek funding to then move into the next project phases - NEPA, detailed design, and permitting. These steps allow for additional community engagement and prepare the project for construction, turning the concept into a deck park that reconnects communities.
