

Welcome!

Thank you for attending the Danforth Road SS4A Open House.

A GREAT PLACE TO GROW

What is Safe Streets for All (SS4A)?

- Federal program from U.S. Department of Transportation
- Provides **grants** for projects aimed at **eliminating all roadway deaths and serious injuries**
- Learn more about SS4A at **[transportation.gov/grants/SS4A](https://www.transportation.gov/grants/SS4A)**

Project Goals

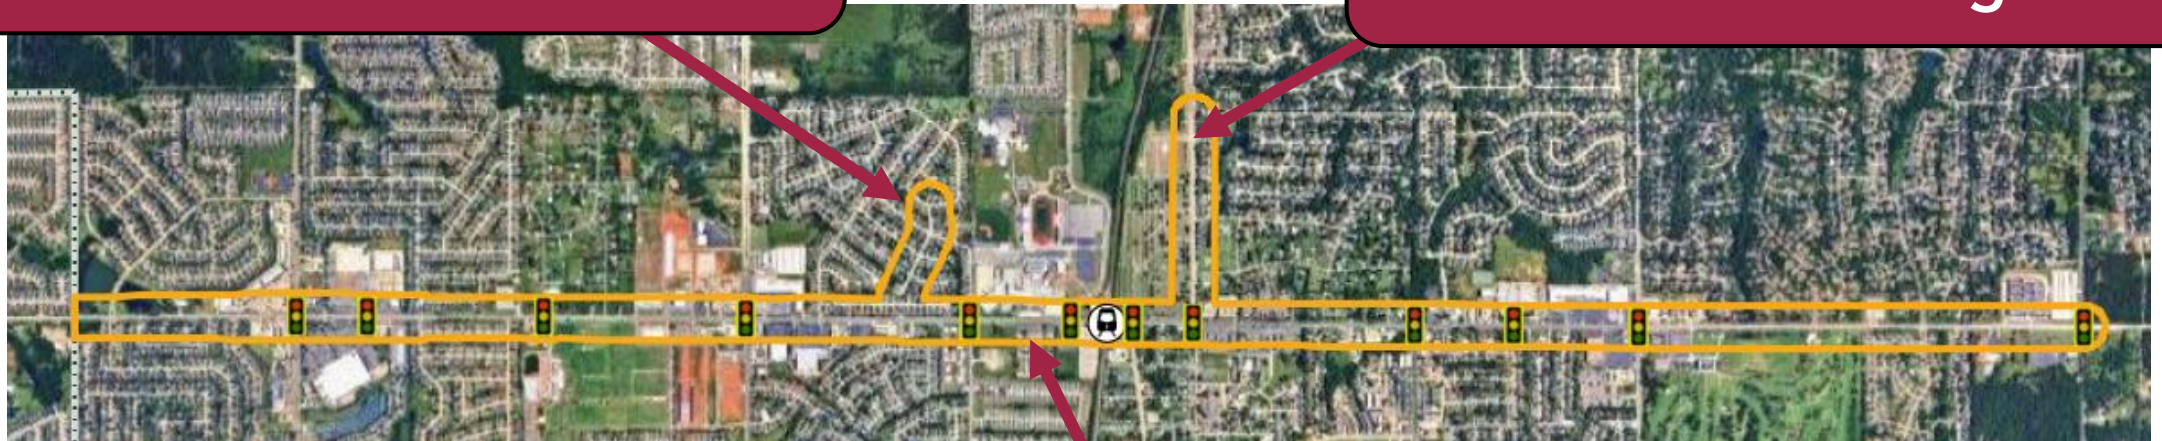

- **Improve roadway safety** along Danforth Road, New Stem Road, and Boulevard for all roadway users
- **Reduce fatal and serious injury crashes** within the study area
- Engage with the community to better **understand root safety issues and find collaborative solutions**

Project Study Area

**New Stem Road from
Danforth Road to Ryan Way**

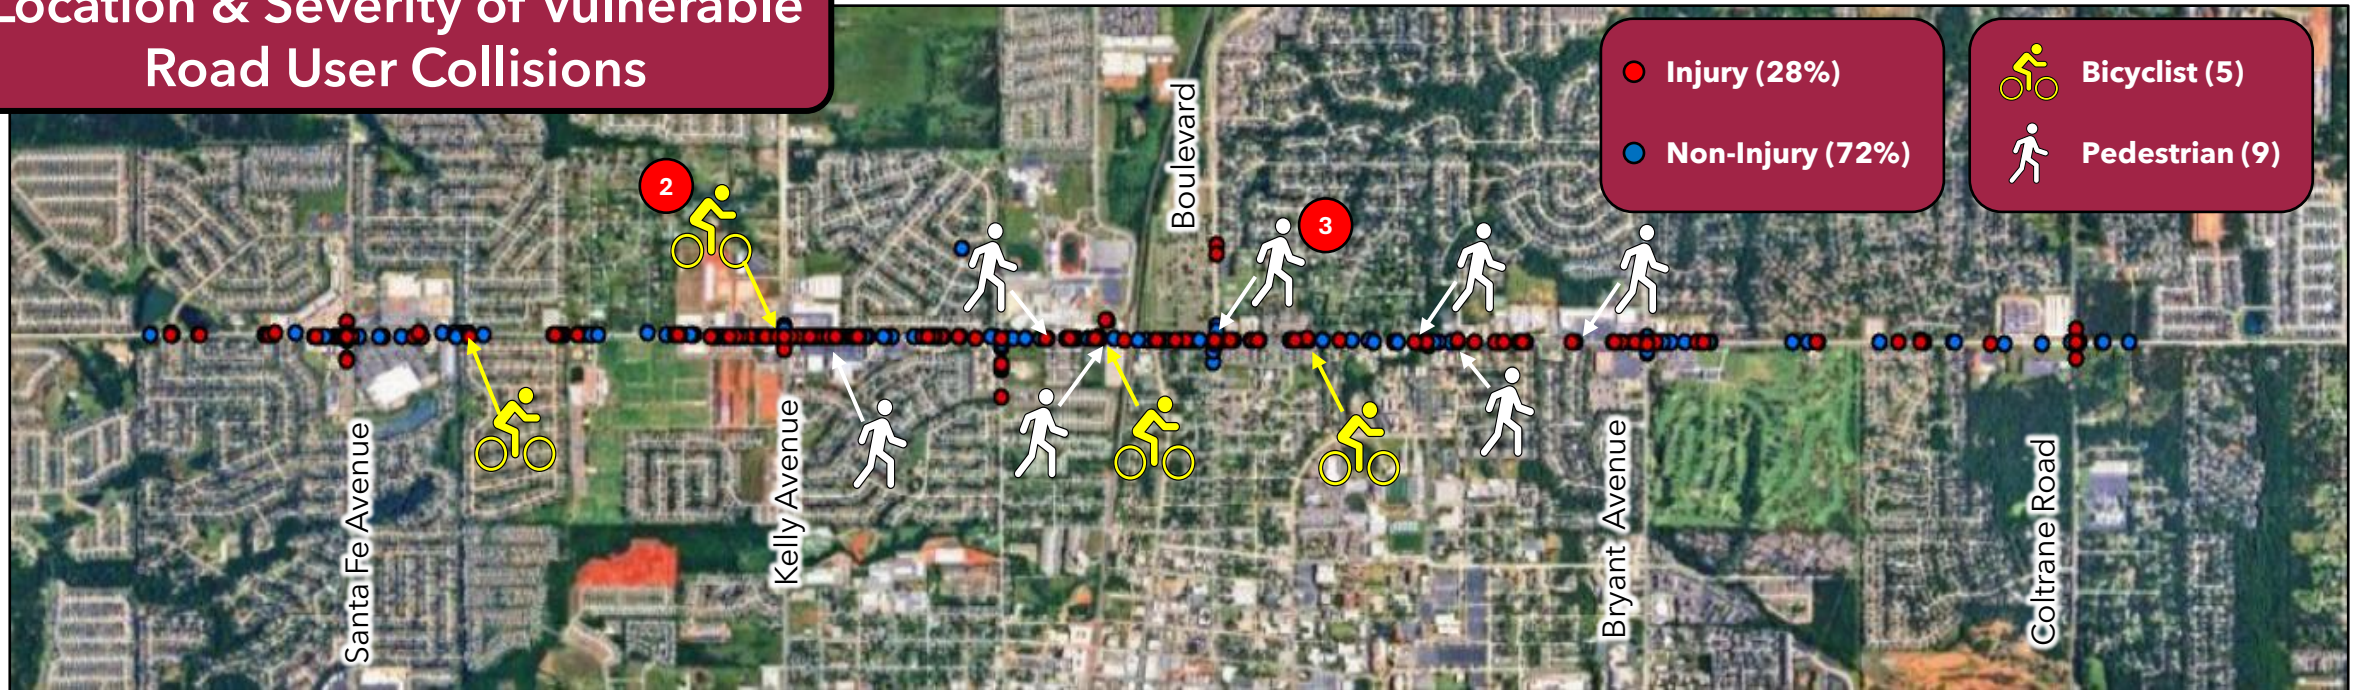

**Boulevard from Danforth
Road to Timber Ridge Road**

**Danforth Road from western
City limit to Coltrane Road**
