

US 72 Improvements

Marshall County, Mississippi

Why Are We Having This Meeting?

This public meeting is being held in accordance with the National Environmental Policy Act (NEPA).

The purpose of this public meeting is to allow the public the opportunity to **review and comment** on the proposed alternatives to provide safe and efficient access to the Chickasaw Industrial Park, and more specifically the planned battery plant, from US 72 and State Route 302 in Marshall County.

The format for this meeting is an **open house**, which means there is no formal presentation. You are encouraged to view the maps and materials, ask questions, and provide comments. Your comments are very important and could help shape the location and nature of future improvements.

The public can provide comments to MDOT or Garver personnel by **Friday, June 14, 2024**, by any of the following methods:
