

Kenwood Street Widening Project

Siloam Springs, Arkansas

What's Next?

Comments Received

The **City of Siloam Springs** invites interested individuals and entities to provide comments on the proposed plans. The public comment period begins **November 7, 2024** and will extend until **November 22, 2024**.

Schedule

Comments received during the comment period (November 7 – November 22) will be reviewed and considered in future design refinement. **Roadway design** will continue to be refined by addressing agency comments received on 60% design. **Right-of-way aquisition documents** will then be prepared and reviewed by ARDOT, followed by 90% and 100% plan submittals. **Environmental studies** will proceed to determine whether no significant impacts would result from the project. Once ARDOT and the FHWA approve the environmental documentation, the proposed project would be cleared for construction.

Property acquisition and utility relocations are anticipated to begin in 2025 after environmental clearance is received. **Construction** is anticipated to begin in the second half of 2025 or early 2026 and continue for approximately nine months to one year.
