What's Next?

Comments Received

Comments received during the comment period (November 17 – December 15) will be **reviewed and considered** in future designs.

Schedule

The **roadway design** will continue to be refined, and a **draft Environmental Assessment** is expected to be prepared in 2024.

A **Location and Design Public Hearing** is anticipated in summer 2024.

The **Right-of-Way acquisition** and **utility relocation work** would follow in 2025.

This is a **Construction Manager-General Contractor (CM-GC) project**, which means ARDOT uses a procurement process to select a Contractor to assist in the final design and to construct the project.
